

TRADITION & TREND VENUES

Universal Arts Center

Business Meeting, Banquet with art performance, Party

Designed as a multipurpose facility in the shape of a majestic opera house, it can accommodate banquets and international conventions as well as arts performances of diverse genres including music, drama, and ballet. The splendid and grandiose facilities were built and decorated, both inside and outside, with excellent materials, and the center has maintained its impressive presence to date. It is continuously developing as a cultural hub of the Eastern Seoul area thanks to the new and improved facilities.
